Next Steps

You Are Here

Digital Site Assessment

We have completed a digital site assessment and determined that your property is suitable.

Complete

Order Placed

Production of your selected Eden model is completed in our state-of-the-art facility.

3 Months

In-Person Property Visit

Eden conducts an in-person property visit to your home in order to review servicing options and provide a full quote.

10 Days

Unit Installed

Your completed Eden model is seamlessly installed onto your property, and is move-in ready in just a few days.

5 Days

Love what you see?

Book your in-person site assessment with an Eden team member. During this visit, we will review your site in detail, talk about our specific model options, and follow-up with a detailed site assessment including a project proposal and timeline.

Book Site Assessment

*The \$250 site assessment fee is fully refundable if for any reason your lot is deemed unsuitable.
